

## **Expansion of the PVC**

**Client: Deutsche Solvay Werke GmbH**

**Costumer: Deutsche Solvay Werke GmbH**

In the Solvay factory in Rheinberg the existing PVC production was extended. For this purpose it was necessary to guarantee the connection to the already existing production areas. The construction costs add up to approximately 3.6m Euros.

### **Our performances:**

- **Detailed and approved final design**
- **Conversion concept**
- **Structure planning**
